INDUSTRIES WE SERVE

Flexible Packaging	Lamination PE film, Shrink PE Film, Stretch PE Film, Shopping Bags, Agriculture/Mulch Film, Polyolefin POF Film, CPP Film, BOPP Film, BOPET Film
Polymeric Fabric	PP Woven Bags Laminated, PP Woven Bags Non-laminated, PP Spun Bond, HDPE Tarpaulin
Rigid Packaging	HDPE Bottles & Jars, PET Bottles, Buckets, Jerry Cans, Drums, Pallets, Crates, PET Strapping, Lubricant Bottles, Confectionery trays
Construction Polymers	PPRC, HDPE & PVC Pipes, PPRC, HDPE & PVC Fittings, PVC Conduits, PVC Window Profiles, PVC Boards & Panels, PVC Cables, XLPE Cables, HDPE Tanks, Electric Fittings
General Plastics	House Holds, Disposable Cutlery, Stationery, PE Foam, Polystyrene EPS
Engineering & Specialty Plastics	Automotive Parts, Polyester Fibers, BCF Fibers, Polyamide, Nylons, Home Appliances, Sports Goods, ABS based articles, PC based articles
Footwear	Polyurethane (PU), Thermoplastic Rubber (TPR), EVA & PVC based
Synthetic Leather	Polyurethane & PVC based
Paper & Board	Paper Making, Corrugation Printing
Textile	Screen Printing, Digital Printing
Masterbatches	Producers of solid masterbatches and liquid colorants
Printing Inks	Producer of Solvent based and water based flexographic and gravure inks

PRODUCTS

Solid Master Batches	Categorized as White, Black, Color, Additives, filler, special effect, Dry Powder based
Polymeric Compounds	Based on Thermoplastic Rubber (TPR), Engineering Plastics, Polyolefins and PVC
Liquid Colorants	Plasticized Color Pastes, Water Based and Solvent Based Color Dispersions
Printing Inks	Solvent Based and Water based Flexographic, Gravure & Screen Inks, Over print Varnishes
Lamination Adhesives	Solvent Less, Solvent based and Water based Adhesives for Flexible Packaging
Footwear Adhesives	Solvent based and Water based Polyurethane adhesives
Specialty Coatings	Spray color coatings for shoes, mold release agents, Enamel Coatings for Automotive and Appliances
Powder Color Pigments	Titanium Dioxide, Carbon Black, Iron Oxides, Organic Pigments, Fluorescents, Optical Brighteners
Specialty Additives	PE Waxes, Oxidized PE waxes, Amide Waxes, Matting Agents, Surfactants, Dispersing Agents
Resins for Printing Inks	Polyamide (Solvent, Co-Solvent), Acrylic (Solvent based & Water Based)
Polyurethanes	Blended Polyols and PMDI for PU Rigid applications, HDI for PU Auto Paints
PVC Additives	Impact Modifiers, Processing Aids, Internal & External Lubricants, Paraffin & PE Waxes

OUR PARTNERS
